ABOUT ME

Ray of Sunshine Media (R-O-S Media) delivers communications and marketing solutions for radiant brands by producing and promoting clear, cohesive, and credible media. *You plant the seeds. I make it bloom.*

My clients are remarkably diverse small, large, private, and public businesses, organizations, and leaders in both the for-profit and nonprofit industries. I take pleasure in helping clients develop and strengthen their brand's voice and identity, increase website traffic or social media engagement, communicate purposefully, or proudly sell their goods or services while maintaining their core values.
